**Who enjoys sex more, the man or the woman?**

The woman, of course. Look at it this way. When your ear itches and you put your little finger in it and wiggle it around, what feels better - your finger or your ear?

**Sexual Lies, Don't believe It when they say ....**

"Don't worry. I've had a vasectomy."

"I won't come in your mouth, I promise."

"I'm not really married."

"It's only a cold sore."

"Looks aren't important to me. I like you for your personality."

"Size isn't important."

"This won't hurt, I promise."

"We don't have to go all the way, we'll just lie here and hold each other."

"We'll always be together."

A man visited a fortuneteller and sat down in front of her crystal ball.

"I see you are the father of two children," she said.

"That's what you think," the man replied. "I'm the father of three children."

The fortuneteller smiled and said, "That's what you think."

One night, as a couple lay down for bed, the husband gently taps his wife on the shoulder and starts rubbing her arm. The wife turns over and says, "I'm sorry honey, I've got a gynecologist appointment tomorrow and I want to stay fresh."

The husband, rejected, turns over and tries to sleep. A few minutes later, he rolls back over and taps his wife again. This time he whispers in her ear, "Do you have a dentist appointment tomorrow too?"

Mother is in the kitchen making supper for her family when her youngest daughter walks in.

Child: Mother, where do babies come from?

Mom: Well dear...a mommy and daddy fall in love and get married. One night, they go into they're room...they kiss and hug and have sex.

Child: Huh?

Mom: That means the daddy puts his penis in the mommy's vagina. That's how you get a baby, honey.

Child: Oh I see, but the other night when I came into you and daddy's room, you had daddy's penis in your mouth. What do you get when you do that?

Mom: Jewelry, dear.

A young couple left the sex therapist's office determined to develop more effective body language.

"Alright," said the husband, "when I want sex, I'll rub your right breast. When I don't want sex, I'll rub your left breast."

"Okay," said the wife, "What should I do then?"

"Well, when you want to have sex," he told her, "rub my penis once. When you don't want any sex, rub it 200 times."

night of her honeymoon, she got undressed, and waited for him to come out of the bathroom to come to bed. When he emerged, however, he had nothing on except a rubber to cover a twelve-inch erection, and was carrying a pair of earplugs and a pair of noseplugs. Fearing her plan had gone desperately amiss, she asked, "What are those for?"

The elderly gentleman replied, "There are just two things I can't stand: the sound of a woman screaming, and the smell of burning rubber."

A knockout young lady decided she wanted to get rich quick. So, she proceeded to find herself a rich 73 year old man, planning to screw him to death on their wedding night. The courtship and wedding went off without any problem, in spite of the half-century age difference. On the first

**Why is masturbation better than intercourse?**

1. You know who you're dealing with.
2. You know when you've had enough.
3. You don't have to be polite afterward.

**What is the definition of indecent?**  
When it's in long, and it's in hard, and it's in deep, then it's indecent.

INSTEAD OF THE WEREWOLF. I HAVE HOWEVER MANAGED TO KEEP THE LINK WITH KL MOON HASH, MY HASH NAME HERE IS 'WOLFMAN'.

MY THOUGHTS WILL BE WITH YOU ALL ON OUR FIRST RUN ON THE 18TH.

## The Full Moon Hashmas Run

Date: 18th December 1994  
Venue: Rinching Estate, Semenyih  
Hares: Patrick Coyle & Ted Quirk

From time immemorial, there were many tales about the moon - from the impulsive tree-chopping man who was sent to the moon before all the lands on earth turn to desert to the beautiful fairy princess who was exiled there for having an illicit affair with a mortal. That's why the moon is a desert today and we can still see the man chopping away while the fairy princess is crying up the latest episode was when Titanic rose from Atlantis - *thru stormy seas, the rainy Haydes vexed the dim moon* - and goddess Diane went on a full moon run. And so the Fall Moon Hash was born.

It was known that Christ was born on a moonless night so that Haley's comet passing at that momentous period was in full view of the wise men. Our two wise men, Patrick and Ted, set out with papers to worship the trail of infant Jesus at Rinching. The third wise man, Kevin, stayed back to look after our presents. It was on a pleasant afternoon, after an aborted shower, that we set out on this pigrimage to reenact what happened 2000 years ago. There were some 150 of the worshippers from the Kelang valley hashes and Kajang at the scene. GMs, Onsexes, office bearers and well wishers from many hashes were present. It was a great turnout.

The out-trail was very long to the HT lines before a check. Next trail was quickly found to the far left and led us on and on through young plantation until check. After a while, trail was found inside the old rubber and again long runs coming to palm trees. Here was some confusion as usually does in palm estates. SCB's begin to show there wits and although the paper worshippers went right round the newly cut open area, they were left behind by the SCB's running along the verge of the palm estate. The big loop took us back to rubber and palm then out back to the HT pylons for a long run in. It was a great run for the occasion. FROPs were about an hour ten followed by the rest on paper with better-late-than-never Tiny Geoff last out at 8:30pm. The third wise man in Santa clothing gave away presents. These were actually our own presents which were swooped around in good Hashmas spirit. The religious Advisor could not bring the moon up but that did not deter us from drinking the short supply of soft drinks dry. No soft drinks, no Tee shirts, tired, thirsty hashers screaming, but Rema and Eileen put their best smiles and let GM Pola explain that they have gone to buy more soft drinks and with luck we may get the Full Moon Tee shirts in 1995! However, beer was flowing very well all the time.

More than 120 turned up for the Full Moon dinner at Kajang. The hungry mob drowned Dynamite Charlie's super amplifiers until food was served and only when Fuckawee's sound became audible. Although it was a table choir singing contest, the judges awarded Don Cheang with singing the best carol to the accompaniment of his table chorus. The food was slow but good and no one can deny it was a good Full Moon Hashmas party even though we may have to wait till next year for our commemorative Tee shirts.

[ed. - The shirts were finally finished 4 days after the run. Last I heard, they have been going around to the various hashes, personally delivering. Hopefully, anybody missed will get their shirt on this run]
