Re: 5th MALAYSIAN NASH HASH 2004

Melaka is a city with a glorious past which is hidden behind each facade of the centuries-old buildings. Every step you take walking down the narrow winding roads, there will be a piece of historical treasure waiting to be discovered or an enchanting story waiting to be told. Melaka is undoubtedly the wealthiest when it comes to history, culture and cuisine.

Melaka albeit the second smallest state in Malaysia will be the venue for the 5th Malaysian Nash Hash 2004 which is scheduled to commence from **Friday, 17th September 2004 to Sunday, 19th September 2004.**

The organisation are proceeding smoothly and the Organisers are at present negotiating with hotels, watering holes, food outlets and many others for the best deals for the participants of 5th Malaysian Nash Hash 2004. You shall be kept posted of any developments.

Meanwhile, pending the issuance of the registration forms, the Organisers would really appreciate if you could make an early announcement to your members of this forthcoming event via your newsletter or any other means you deem fit and appropriate.

Your co-operation and assistance in the above is highly appreciated.

Thank you.

ON! ON!
